JULY 25 + 26, 2023 > WASHINGTON, PA

CREW CAMP

Scan code to submit your application.

Deadline to apply: May 1, 2023

Qrew Camp is a two-day immersive experience for rising 8th, 9th & 10th grade students, and their parent or chaperone, to learn more about the natural gas industry and careers in the field. Held in Washington County, PA, students will hear from EQT professionals on the uses of natural gas, learn about and witness the drilling process and various aspects of the company, and have some fun!

At EQT, we call our employees our "Qrew." Qrew Camp is a way to engage what we hope to be the next generation of industry leaders and give them a firsthand look at the work we are doing right here in southwestern Pennsylvania to provide the low-cost, reliable, clean energy the world needs. The camp is completely free to those selected, up to 30 students total. All meals and hotel accommodations, if needed, will be provided.
