Hospice Volunteer

Make a Difference Today!

“Volunteers are the only human beings on the face of the earth who reflect this nation’s compassion, unselfish caring, patience, and just plain loving one another.” – Erma Bombeck

Our volunteers:

- **PROVIDE** companionship and support to patients
- **GIVE** caregivers much needed breaks
- **SHARE** prayer or spiritual support
- **PLAY** music or sing
- **VISIT** with a therapy dog
- **HELP** patients write or tell their life histories
- **SIT** quietly with someone during the last hours of life
- **PROVIDE** haircuts or massage
- **ASSIST** staff with administrative tasks

No prior knowledge is needed, just an open heart and a desire to change a life. We help volunteers choose the duties, location and schedule that are most satisfying and convenient. We offer online training and shadowing to get you started.
