

# New Year, New Books

January, 2019

## Reading Genre's

### Nonfiction

Text based on facts, real events, and real people

### Science Fiction

A type of Fantasy Fiction that uses science and technology (examples: robots, time machines, etc.)

### Traditional Literature

Stories that are passed down from one group to another in history. This includes fables, fairy tales, tall tales, and myths.

### Fiction

A made up story with imaginary characters and events

### Fantasy

A story including elements that are impossible such as talking animals, magical powers, aliens, etc. Make-believe is what this genre is all about.

### Realistic Fiction

A book that uses made up characters and events that could happen in real life.

### Informational

Text that gives facts about a topic.

### Biography

A true story about a person's life written by a different person.

### Historical Fiction

A fictional story that takes place in a particular time period in the past. The setting is real but the characters are not.

### Mystery

A suspenseful story about an event that is not solved until the end of the book.

### Autobiography

A true story about a person's life written by that person.
