Article III Selection of Members

Section 1. The selection of members to the National Junior Honor Society shall be by a majority vote of the Faculty Council consisting of five voting members appointed annually by the advisor/principal. The chapter advisor shall be a non-voting member of the Faculty Council. No principal or assistant principal may be included on the Faculty Council.

The student may not have a letter grade of a D or an F or their equivalencies in a non-core subject.
- b. Those students who meet the scholarship criterion are invited to complete a Student Activity Information Form by a pre-determined deadline. This form provides the Faculty Council with information regarding the candidate's leadership, service and character.
- c. To evaluate the candidate's leadership and character, the Faculty Council uses three forms of criteria: first, school disciplinary records; second, school attendance records; third, solicited input from faculty members regarding their professional reflections on a candidate's character and leadership.
- d. These forms and the Student Activity Information Forms are carefully reviewed by the Faculty Council to determine membership. A majority vote of the Council is necessary for selection.

Section 3. Candidates are notified regarding selection or non-selection. Following notification, a formal induction ceremony is held at the school to recognize all newly selected members.

Section 4. Once inducted, new members are required to maintain the same level of performance in all criteria that led to their selection. This obligation includes attendance at chapter meetings held during the school year and participation in the chapter service projects.

If a member's cumulative GPA falls below 3.50 (unrounded), and/or he or she receives a letter grade of D or F in a non-core subject, he or she will be given a written warning and a time period of two consecutive nine-week periods for improvement. If the cumulative GPA remains below 3.50 (unrounded) and/or he or she receives a D or F in a non-core subject at the end of the warning period, the student will be subject to further disciplinary action by the Faculty Council, which may include consideration of dismissal from the chapter.

Section 3. Violation of the law or school regulations as defined in the McGuffey Middle School handbook can result in dismissal of the member.

Section 4. In all cases pending dismissal:

- a. The member will receive written notification from the advisor or Faculty Council indicating the reason for possible dismissal. Parental notification will be sent by district mail. The member and advisor will discuss the written notification in a conference. Situations that involve flagrant violations of school rules or the law can warrant disciplinary action without a written warning although a hearing must be held.
- b. The member will be given the opportunity to respond to the charge against him or her at a hearing before the Faculty Council prior to the vote on dismissal. The Faculty Council will then vote on whether to dismiss. A majority vote of the Faculty Council is needed to dismiss any member.
- c. The result of the Faculty Council vote will be reviewed by the principal and then, if confirmed, expressed in a letter to the student and parents/guardians. Dismissed members must surrender any membership emblems to the advisor.
- d. The Faculty Council's decision may be appealed to the building principal and afterwards through the district discipline policy.
